5. *Headship and Submission – Today?*- Biblical principles are timeless so we still must reconcile them to today's culture and the world we live in. This webinar will help couples understand and practice true headship and submission in today'. (On-Demand Webinar)

6. **Anger and Conflict Webinar Series** – Whenever two people spend a significant amount of time together, anger and conflict are inevitable; however, you can choose how to handle them. GTO Marriage Ministries' *Anger and Conflict* webinar series can help you navigate those troubled waters and achieve growth through the conflict and not destruction. You CAN honor God - and your marriage - in how you handle anger and conflict.

Anger 101 gives you some basic facts you need to know about anger and its effects.

Anger: The Ways that Don't Work and *Anger: The Ways that Do Work* explore the different reasons why we get angry and the ways of handling it that do and don't work.

Rules of Engagement (Parts 1 and 2) give you 14 rules of fighting fair.

Breaking the Cycle of Fighting teaches you how to recognize your pattern of fighting and how to break it.

Webinar Series Retail Price: \$29.95

How to Experience Oneness as a Married Couple

An interactive couple's study book for deepening intimacy and closeness

This is a book you don't just read! This is a book you DO! You get to interact with each other through all twelve chapters. You and your spouse will discover answers to dilemmas like: "**How do we fight fair?**" "**How can we make decisions together without conflict?**" "**How can we develop real intimacy?**" All of these questions can be answered when you apply the principles God lays out in His Word. This book can help you apply these Biblical principles in your marriage and find true harmony.

Use this Interactive Study to:

- Grow closer to your mate by applying God's principles of relationship
- Experience intimacy with each other and with God in practical ways
- Learn how to deal with anger and conflict constructively
- Find out how to reach agreement on decisions that both you and your spouse can fully own
